

# Sinaloa Middle School

Back to School Night  
September 7, 2017

MRS. VISAGE

CC MATH 7

# Welcome

- ▶ Contact Information

- ▶ E-mail:

- [cynthia.visage@simivalleyusd.org](mailto:cynthia.visage@simivalleyusd.org)

# Grading Policy

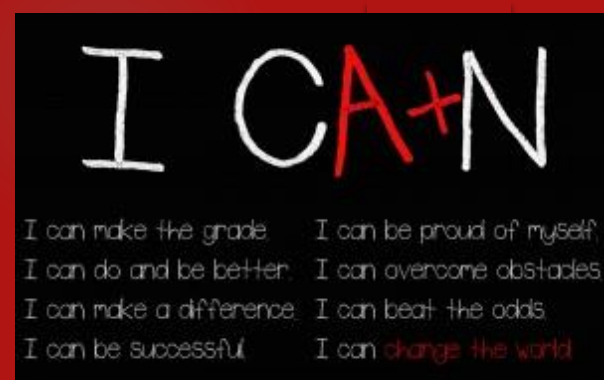

- ▶ 90%-100% **A**, 80%-89% **B**, 70-79% **C**, 60-69% **D**, below 60% **F**
  
- ▶ Grades will be weighted and consist of the following categories:
  - ▶ **Assessments (Tests & Quizzes) 50%**
  - ▶ **Performance Tasks 20%**
  - ▶ **Class Work 20%**
    - ▶ (Warmups, Projects, Group Work, White Board, Worksheets)
  - ▶ **Homework 10%**
    - ▶ (Students will show all work and correct daily)
  
- ▶ A student's effort grade is determined by averaging their classwork and homework. Citizenship is determined by a student's classroom behavior and tardies.

# Retakes & Late Work

- ▶ Assessment Retakes: One retake per assessment can be done.
  - ▶ An assessment correction is a student's "ticket" to retake. A retake must be completed before a grading period ends.
- ▶ Late homework can be turned in for half credit up to the test date it belongs to.

# Tools to Succeed

- ▶ I am available during “help” times and there are many “help” clubs students can take advantage of.
  - ▶ Parents and students should check *Aeries* for missing assignments, grades, and report cards.
    - ▶ I update Aeries at least once a week, and do my best to update late or absent work within 48 hours.
  - ▶ Students should write down homework and upcoming assessment dates. They should stay on top of their assignments, study, and always makeup absent and missed work. Good attendance is very important.
    - ▶ **Weekly Calendar** logs classwork for absent students
    - ▶ **Google Calendar** for homework and important dates

# Resources

- ▶ Math 7 Big Ideas

- ▶ Text Book 10 Chapters

- ▶ Lessons, Activities, Practice Quizzes & Tests, Reviews

- ▶ Workbook

- ▶ Fair Game Review, Log for Activity Days, Practice

- ▶ Online text resource can be found at:

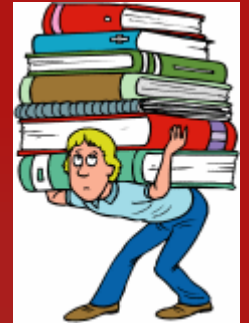

- ▶ <https://clever.com/in/svUSD1> (Big Ideas Textbook)

- ▶ Student Dynamic E Book

- ▶ Lesson Tutorials

- ▶ Progress Check & Test Practice

- ▶ Vocabulary & Organizers

- ▶ Key shifts called for by CC:
  - ▶ Greater focus on fewer topics
  - ▶ Coherence: Linking topics and thinking across grades
  - ▶ Rigor: Pursue conceptual understanding, procedural skills and fluency, and application with equal intensity

# Next step

- ▶ Natural Progression for CC Math 7 is to move onto CC Math 8
- ▶ Students will be assessed at the end of the year by assessment, effort, and class grade to see if an exception will be made for 8<sup>th</sup> grade Algebra I.

Thank you for coming to  
Back to School Night!

**Thank  
You!!!**
